The Special Character of Adventist Education

General Statement

Adventist Education is Bible-based, Christ-centred, service-oriented and Kingdom-directed. It aims for a balanced development in the lives of students, encouraging them to choose a personal relationship with Jesus, serving Him in this world until He comes again. These features, infused through the schools' policies, procedures and practices provide the Special Character of Adventist Education, based on the fundamental beliefs and values of the Seventh-day Adventist church.

Special Character includes both general and unique beliefs
