## NOTICE OF ROADWORKS

The City of Kalamunda will be upgrading the Lawnbrook Road East and First Avenue intersection in the coming weeks. The work includes widening of the intersection and installation of a pedestrian median island on Lawnbrook Road East. The work is expected to take approx 8 weeks to complete and may cause some disruptions to traffic entering First Avenue. While every effort will be made during these works to minimise the impact on road users, we thank you for noting this and being patient as these roads are improved.

## CHECK UNIFORM LABELS

There are an increasing number of reported lost jumpers and jackets. We cannot stress enough the importance of labelling your child's uniform items. Please write their name somewhere obvious on the inside of their jumpers and jackets. We also ask that you take a moment this week to please check the lables on the uniforms that you have at home as sometimes items get picked up mistakenly by another student and taken home.

*Never stop learning, because life never stops teaching.*

## CHAPEL

Unfortunately due to our guest speaker being sick, we have had to postpone our Week of Worship (WOW) to a later date. We know many students will be disappointed as it is a highly anticipated event on the school calendar each year. We will keep you updated as to when this event will now take place. In the meantime, our usual chapel program will happen on Friday this week from 8.50-9.30am. All parents are welcome to attend any and all of these days.
