SCIENCE DAY

Next Friday (March 24) is a special focus day on Science. All students will have the opportunity to participate in many different science activities throughout the day including making working volcanoes from clay, creating their own grassy heads, oobleck activities, to name a few. Most of these activities are hands on and messy so we ask you to pack a change of clothes for your child to wear during the messy activities. This is a free activity for all students from Kindy to Year 6.

"Education is the kindling of a flame, not the filling of a vessel." - Socrates
