Playful...

At the beginning of 2021 I chose a word for the year to focus on. My word was playful.

In a world that increasingly is becoming more and more serious, I wanted to remind myself of the beauty of childlike innocence and playfulness.

This word has required me to laugh more, put down my phone and engage in the very simple things that make our life grand.

- Like eating ice cream with my children after school.
- Sliding down hills.
- Sitting on swings.
- Colouring in.
- Watching comedy shows.
- Spontaneous day trips.

On one of our trips as a family we found an all-ages playground in Katanning, that was created for the whole family to play on together. As I stood surrounded by a sea of play equipment, I asked myself the question, why do children stop playing?

Learning to be more playful and remind myself that life doesn't have to be all serious. It has been a lesson in adaptability. Remembering that growth doesn't have to be intense, sad and strict, in fact, sometimes the greatest changes can come from simply letting go.

What does it mean for you to be more playful?

In a season of much difficulty and despair, what if you chose to play a little.

Your laughter might just change atmospheres.

GENERAL

Late to school?

We really do appreciate your efforts to have the students on time for the start of school.

If your child is late to school for any reason, please ensure they come to the front office to be signed in BEFORE they go to their classroom.

Bus Guidelines

We have had some reports from our bus drivers that not all students are abiding by the Buswest bus rules. To ensure safety at all times while travelling to and from school we ask that you please remind them of the following rules:

For your safety:

- Where seatbelts are fitted, they must be worn.
- To avoid injury should the bus need to brake suddenly, remain in your seat at all times.
- Leaning on doors or against windows is not safe. Please do not do this.
- Stand well away from bus after getting off and wait until the bus has moved away before crossing the road
- Be careful not to cross in front of the bus at any time, you may not be seen.
- Objects thrown from a moving vehicle cause serious damage. Please do not throw anything from the bus.
- Place bags under seat, between your feet or on your lap. Aisles must be kept clear, so please do not leave your bag in the aisle.

Behaviour Rules:

- Keep voices low – always use an 'inside' voice.
- Inappropriate language, verbal teasing, play fighting or other physical contact is never acceptable.
- While the bus is waiting for secondary students, you must not leave the bus without the permission of the driver.
- There must be no calling out of bus windows/doors etc.

Thank you!

Parents & Friends Committee

A Parents and Friends Committee is a vital part of our school and helps foster the strong connection we embrace with our parents and teachers.

We would like to try something new. Many of our families have students at both the primary and high school and so we are keen to have a combined Primary and Secondary Committee. Parents involved could have students in either or both the primary and high school.

If you interested in being a part of this committee, please speak to our Principals, Mrs Janine Taylor (Primary) or Mr Brad Flynn (Secondary).

Annie Jr.

The talented cast and crew of Carmel Adventist College, in conjunction with Lighthouse Christian Theatre, performed 4 shows of Annie Jr. during the school holidays. The audiences were enthralled with all the amazing talent on display.

Ella Blazicevic, did an incredible job in the lead role of Annie, and was supported by a cast of 23 actors, ranging in age from 6 - 18 years of age. The orphans' rendition of 'It's a Hard Knock Life' and Annie's 'Tomorrow' were just a few of the standout musical numbers.

Special thanks to all who attended the shows and to everyone who supported (especially the parents) and those who worked behind the scenes to make this production such a success.

AUSTRALIA QUEST WEEKEND

The Australian Quest Weekend Retreat is a carefully structured weekend that helps facilitate the powerful transition of young men into adulthood. Underpinned by Christian values the weekend is open to young boys aged 14–18 years of any faith or belief.

The retreat aims to create a deeply meaningful experience for participants where they will be challenged and shown how to fully embrace responsibility and live with an inner integrity. Each one will have the opportunity to grow and expand beyond their comfort zones in order to uncover deeper parts of themselves that will lead them towards their own power, passion and purpose in life. It's an increasing challenge for communities to support young men in their journey of authenticity and influential leadership.

The participants will be gently guided through many processes by experienced and certified facilitators and educators, utilising cutting-edge concepts designed especially for this weekend. In a safe space, and held by a good bunch of blokes, it certainly offers a unique opportunity whereby every young man can wrestle with their own set of challenges deep within their own soul, experience grace and connect to their hearts.

The weekend retreat is completed with a graduation ceremony with family and friends where the returning young men will have the opportunity to share their stories - as well as being honoured by leaders, family and friends.

This camp is limited to 20 participants and positions often fill up fast, so jump at this opportunity and secure a spot for yourself or your son by completing the application.
