Keep Turning Up

When I was at university back in the late 1970s, I desperately needed a job and thought I had hit the jackpot when told I had been hired.

The job you ask? Well, it involved selling flowers and stuffed animals to late night patrons in city restaurants and pubs. Oh and to add a little bit of extra pep, I was dressed up as a little Dutch girl complete with a cap, apron and large basket.

Yep, it was a real winner. Or at least I thought so until I finished my first shift and reality kicked in. I couldn't believe that I had taken on such a crazy task and informed my parents that I was resigning. To my utter dismay, my father informed me that this would not be happening. I had agreed to a contract and the owner was banking on me to do my part.

A significant argument ensued ending with me asking my father what on earth aside from income could be gained from such a job.

And his response, the ability to keep turning up. He reminded me that life was a series of ups and downs. Rarely a smooth ride. But the people who overcome with their integrity and character intact are those who continue to turn up. Irrespective of the season, the challenge, or the lures of a better offer.

Have you joined the Gilbert's SOS Program?

Gilbert's Fresh Market donates 1% of SOS Program customers' total spend to their nominated school every time they shop and scan their SOS card. There are no restrictions on what these funds can be used for at schools. The SOS Program is free to join and available to all customers. Why not join and help a local school? It's so easy!

Please ask our friendly Gilbert's checkout staff for more information.

And that was that. In one statement, I had my reason and my challenge.

Turning up is not always easy. It doesn't necessarily mean forever. But it does mean having the courage to face our fears and remind ourselves that we have a strength and resilience that is often present just below the surface.

Haystacks Cup

Carmel Secondary hosted the 2nd game in the 'Haystack Cup' basketball series between Landsdale and Carmel recently at Ray Owen Sports Centre. Coached by Chris Johnson from the Eastern Suns, both Carmel Junior girls and Junior boys teams won their games and retained the "Haystacks Cup".

It was a narrow margin with both schools playing with passion and determination and we look forward to another good matchup next term.

Storytime in the Bush at the Primary Campus has just come to a close for another term. It's so much fun. Watching the excitement of some of the kids as they arrive and look for their new friends. One little girl will stand watching the gate to see when her friend gets there, she doesn't want to miss out on a moment of time with her. I watched one morning as her mum was preparing her for the fact that her friend wasn't coming that day. The disappointment was obvious, then she moved on with that information and started playing with others and she went on to have a fantastic morning.

I realised that I had just witnessed a really good lesson that we can all learn from. In the busyness of a school term, there are always things that seem to go the way we want them to. Then there are the details that don't seem to work out the way we were hoping. Armed with this new information we all have a choice to make. Do I carry on and make the best of this situation or do I stop everything and decide to be grumpy and let it spoil my whole experience?

While recognising that there are some situations that need some fixing, we also need to learn from the little girl. To move on with an attitude of 'Today will be a great day!' As we enter the final month of this term, I hope and pray that you will speak up when it's needed and that you will experience the JOY of everyday at Carmel Primary.
