CARMEL
ADVENTIST COLLEGE

August 19, 2020 | Term 3 | Issue 13

Wherever you are, be *all* there.

- Jim Elliot

Influence Begins by Turning-Up

Sometimes I think we believe we can't be significant and have influence without gaining more range, a higher education, better skills or a bigger title. Don't get me wrong – these may come in handy sometimes but they are not critical.

There are a couple of critical aspects I believe we need to appreciate and get pretty right if we are to be influential, no matter what our sphere of influence looks like today; whether at home, work or playtimes!

No. 1 – PRESENT

What is critical is that we are present for those around us, willing and able to do our part. We will never be able to influence, inspire, guide and have a positive impact if we cannot be trusted to turn-up, and turn up regularly. It is only when we are present will people get to know us and be able to trust us.

No. 2 – CONSISTENT

We must be consistent, reliable and dependable in who we are. Being present is good, but people are watching us.

So the question to ask ourselves is – is what we say consistent with how we behave? This comes down to us. It is not about being perfect, we are definitely a work in progress – always, but there must be some integrity between what we say and what we do. We must walk the talk.

Influence begins and ends by being present – turning up and being consistent – walking the talk.

General Information

School Photos

Thank you for sending your children in the correct school uniform last Monday. The students were certainly looking their best.

Just a reminder, you can place an order online for class or individual photographs at any time for the remainder of the current school year; however a \$20 fee will apply if you order more than 10 days after photo day. Carmel Primary School Code: JXCUKY.

The photos will take a few weeks to be printed and received by the school. An email will be sent home when the photos have arrived and are ready to be sent home.

AUSLAN Update

AUSLAN will recommence in Term 4, 2020.

You may have noticed or heard from the students that Mrs Hiscox has not been at school this term. Mrs Hiscox has not been well and has requested leave for Term 3 so that she can recover and be ready for Term 4.

Shuttle Bus

Students have the privilege of using the free shuttle bus service down to the High School if required.

If you wish for your child to catch the shuttle bus, please ensure that the afternoon transport arrangements have been communicated to the office prior to 3pm. It gets busy in the office at the end of the day and trying to contact parents regarding transport arrangements is not always easy.

We are happy to accept a 'blanket' authority for the remainder of the year. This authority would state that you give permission for your child to catch the shuttle bus at any time. In these cases, no further contact would need to be made with the parent or guardian.

In the absence of permission from a parent or guardian, we have no choice but to follow the regular routine for your children. Thank you.

Book Week Parade

Year 5 Healthy Eating

In Health the Year 5's have been learning about Healthy Eating and how our bodies thrive when we feed them well. At home, they made some yummy healthy food and we learnt to use iMovie at school to edit their footage and make a Cooking show! You might like to try some of their ideas yourself.

Use your QR reader to see their shows and watch the newsletter over the next few months to see more of their shows each fortnight.

We hope you enjoy them!

Chaplains Corner

Busy! Busy! Busy! I've been reminded how busy schools are. It can be tricky to find time in the classroom schedule to fit in Bible studies with all the kids that want to be involved.

Firstly, we ask who wants to be involved, it has to be their choice. We talk to the teacher about when is a good time, as we don't want to interrupt their learning. Next we actually sit down with the kids and open up our Bibles, my favourite bit. Watching the kids discover something new about how God works - I Love It.

What I also love is the staff gathering together before school everyday and having worship together. The staff pray for your kids every day - they make it a priority. The feeling of family that you get when you walk into the school, that comes from God - through the staff.

We would love you to keep praying for our school community.

If you make it to chapel and would like to stay and pray with some others, we would love to pray with you.
