Where God guides, He provides.

~ Isaiah 58:11 ~

Message from our Chaplain...
Mrs Nicola Warchol

Ahoy! God Loves You... was the message greeting our students each morning as they entered Bickley Church for our annual Week of Worship last week. The stage was complete with an amazing 3m ship, which perfectly set the scene for different Bible stories. Built by one of our Dads, the ship has now been relocated to the sand pit at school. A huge 'thank you' goes to Mr Shipard and his apprentices, Levi and Jamie. The boat is already proving to be a very popular addition to our playground and will be a daily reminder of the stories we heard during WOW.

A big thank-you to Captain Big Belly, aka Pr Brad Thomas, who shared his time and talents and joined us every morning to speak with us. We also enjoyed two piano items each morning and want to say thank you to all our students who played during Week of Worship.

Captain Big Belly started the week with two stories about Paul found in Acts 27 & 28. We learnt how God saved Paul when he was in trouble. God is real and He will help us too. On Tuesday, with four helpers to act the story, Pr Brad told us about Jonah. It is one thing to believe in God but you need to follow Him too!

GENERAL

This week is … Book week!

The book week theme this year is…
"Escape to Everywhere".

As part of Book Week celebrations, we will have some activities in our library. Students will also have the opportunity to meet a 'real' writer and listen to their stories.

Today, the Years 2 – 4 students visited the Lesmurdie Library to listen to author Kelly Canby.

Wednesday, the Years 5 & 6 students will be visiting Lesmurdie Library to listen to author Norman Jorgensen.

Friday…is our annual **Book Day Parade**!

In keeping with our theme, it would be amazing to see some multicultural outfits that represent your country of origin or maybe a book character from a different country.

With books we can escape to anywhere in the world or our imagination. Remember it is important you bring the book of your character/country to school for the parade.

Dental Screening
(Pre Primary, Year 3 & Year 6)

This Tuesday, 22nd August Kalamunda Dental Therapy Centre will be coming to the school to screen those students in Pre Primary, Year 3 & Year 6.

This is something that is conducted every year as a free service. They will be looking to see what students in these years may require braces in the future. For those students who may require braces are then given a referral to an orthodontist.

To contact Kalamunda Dental Therapy Centre please call 9293 2801.

Thank you.

Maida Vale SDA Church Program Saturday, August 26

Carmel Primary has been invited to be a part of the Maida Vale Seventh-Day Adventist Church program on Saturday, August 26 from 10:30am – 12:15pm. Maida Vale Church is located on 345 Kalamunda Road, Maida Vale.

This is a wonderful opportunity for all our students to have the opportunity to serve and for you as parents to see what they have been working on as part of our 'Service Through the Arts' program this term. Students are to wear: Full winter school uniform.

We thank you for your support and look forward to you joining us for this upcoming event.

THANK-YOU!

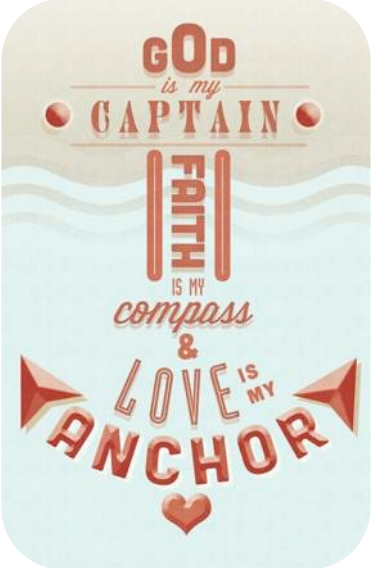
A lot of time and effort goes into making Mud Day happen.

We would like to acknowledge Mr Jeff Wallis, Mr Heath Shipard, Mrs Jodee Walker, Mr Nathan Facer & Mr Shannon Smoker for making this event a memorable one for our students and staff!

Check out more photos on pages 9 & 10!

cont.

On Wednesday, we had the story of Peter walking on the water from Matthew 14:22-34. When we get scared, we can call on God and He will be right there with us, we just need to ask Him. Thursday, Pr Brad talked about Zacchaeus, The Dead Sea and the Sea of Galilee. We learnt how we need to give too when we follow Jesus, otherwise we will be just like the Dead Sea! Friday morning, Pr Brad had his pet Weiro Sky on his shoulder, which bought everyone much joy! Just as Captain Big Belly loved Sky and would never hurt her, God is the same with us. He loves us, He will never hurt us and He wants to save us too.



Our prayer is that every student has taken away the message that our God loves them very much, that He is waiting for them to talk with Him and that they are considering Him being the Captain of their life.

FATHER'S DAY STALL

Mums Raising Boys - up to 12 years DAYTIME Mothers, who are usually their son's primary female role model, play a vital part in developing their son's identity, including their ability to be nurturing. Web link	DATE: 7 September DAY: Thursday TIME: 10am – 12.30pm COST: $30 per person
Dads Raising Boys For a boy a close relationship with his father is like gold. A father is like an anchor for a son. A dad is one constant in life who models what they become as an adult. Boys whose dads are involved with them from a young age do better in lots of ways — academically, emotionally and socially. Well-fathered boys show the positive effects years later with an improved capacity for empathy and the health of their social relationships. Web link	DATE: 12 September DAY: Tuesday TIME: 6.30-9pm COST: $30 per person
Rock and Water Program Physical exercises are constantly linked with mental and social skills. This program leads from simple self-defence, boundary and communication exercises which will lead to a stronger notion of self-confidence. ***Note: due to the nature of activities there is only room for one child per adult.*** Web link	DATE: 16 September DAY: Saturday TIME: 8.30am – 12.30pm COST: $70 adult/child pair
All About Anger – for Parents and Teens This workshop for parents and teens has been designed to assist families when anger is an issue. Anger is explained in a way that challenges our labelling of 'an Angry Person' and instead aims to help participants to understand that many of us have simply learnt to manage the emotion of anger in unhelpful ways. The workshop includes some simple skills to help you respond more positively when anger shows up. Web link	DATE: 19 September DAY: Tuesday TIME: 6.30-9pm COST: $50 per family
Successful Single Parenting People become single parents through a range of life choices and circumstances. Single parenting alone is different in many ways compared to a two parent household and can have its difficulties and challenges. If you are a single parent and are through that initial break-up stage this course will provide strategies that will help you develop a close and special relationship with your child. Web link	DATE: 20 September DAY: Wednesday TIME: 6.30-9pm COST: $30 per person
Dads Raising Girls Find out how you can build a rewarding father-daughter relationship. As the primary male role model in a girl's life, fathers play an important role in the development of their self-concept and self-esteem. This affects how they relate to others, particularly to boys and men. Web link	DATE: 20 September DAY: Wednesday TIME: 6.30-9pm COST: $30 per person

About the presenters:

Jaquie Mills— is the parent of four children, two of whom have a disability. Her eldest son has complex disabilities and behaviours which can be seen as very challenging. A former high school teacher, for many years Jaquie was one of the many parents around the country who are unable to work due to the support needs of their children with challenging behaviours. Her search for a good life for her son has lead to her exploring a number of other roles including Chair of the Positive Behaviour Framework Guiding Committee (hosted by the Disability Services Commission) and in 2013 was developer of the very well received 'Is There a Better Way' training, which has been has been delivered around the state and was designed to help other families experiencing challenging behaviour.

Bronwyn Pike — Bronwyn has worked for over 20 years within a variety of human services with her focus on supporting individuals and families to plan, develop and self-direct their supports.
