## Story: Lost In Desert

Once a man got lost in a desert. The water in his flask had run out two days ago, and he was on his last legs. He knew that if he didn't get some water soon, he would surely die. The man saw a small hut ahead of him. He thought it would be a mirage or maybe a hallucination, but having no other option, he moved toward it. As he got closer, he realized it was quite real. So he dragged his tired body to the door with the last of his strength.

The hut was not occupied and seemed like it had been abandoned for quite some time. The man entered into it, hoping against hope that he might find water inside.

His heart skipped a beat when he saw what was in the hut - a water hand pump..... It had a pipe going down through the floor, perhaps tapping a source of water deep under-ground.

He began working the hand pump, but no water came out. He kept at it and still nothing happened.

Finally he gave up from exhaustion and frustration. He threw up his hands in despair. It looked as if he was going to die after all.

Then the man noticed a bottle in one corner of the hut. It was filled with water and corked up to prevent evaporation.

## Subway Lunch Day

Subway lunch is on this Friday, September 14.

The P&F Committee have decided to donate any profits made from the Subway days held in Term 2 & 3 to help the farmers who are currently experiencing drought over in Queensland and New South Wales.

THANK YOU SO MUCH FOR YOUR SUPPORT!

## Primary Uniform Shop

To help you prepare for Term 4, Mrs Felicity Shipard has kindly offered to open the uniform shop on Wednesday, September 19 (Market Day).

## Got some uniforms to sell?

Join the **Carmel Adventist College Primary – Buy, Swap or Sell** page on Facebook and post them there!

## Haystack Lunch Orders

Once again, our teachers will be preparing delicious, healthy haystacks for pre-order on Market Day.

Look out for the order forms heading home soon.

## Combined Schools Sport Day

We encourage families to come along and support the students at the annual Combined Schools Sports Day on Friday, October 26 at Gerry Archer Athletic Field, Abernethy Road (cnr Leach Hwy), Cloverdale.

Further information relating to the Sports Day will be sent home in the next newsletter.

## Term 4 Uniforms

The Summer Uniform returns in Term 4!

### Girls

- Tartan dress (touching the knee in standing position).
- Polishable black lace-up shoes or school shoe with strap with white 'one fold' ankle socks. Alternatively, students can wear regulation school sandals in brown, black or navy with no socks.
- Navy blue v-neck knit pullover with Carmel College logo.
- Uniform blue hat

### Boys

- Mid-blue short sleeved shirt with College logo.
- College grey shorts (no cargo shorts or full elastic waist shorts).
- Polishable black lace-up shoes with grey ankle socks – one fold. Alternatively students can wear regulation school sandals in brown, black or navy with no socks.
- Navy blue v-neck knit pullover with Carmel College logo.
- Uniform blue hat.

### Sports Uniform

Shorts can now be worn, replacing the microfibre track pants.

We would like to take this opportunity to thank our Parents & Friends committee for organising the Father's Day Stall.

Thank you to the Mum's that manned the stall and assisted students in finding a gift for their dad.

cont.

He uncorked the bottle and was about to gulp down the sweet life-giving water, when he noticed a piece of paper attached to it. Handwriting on the paper read: "Use this water to start the pump. Don't forget to fill the bottle when you're done."

He had a dilemma. He could follow the instruction and pour the water into the pump, or he could ignore it and just drink the water.

What to do? If he let the water go into the pump, what assurance did he have that it would work? What if the pump malfunctioned? What if the pipe had a leak? What if the underground reservoir had long dried up?

But then... maybe the instruction was correct. Should he risk it? If it turned out to be false, he would be throwing away the last water he would ever see.

Hands trembling, he poured the water into the pump. Then he closed his eyes, said a prayer, and started working the pump.

He heard a gurgling sound, and then water came gushing out, more than he could possibly use. He luxuriated in the cool and refreshing stream. He was going to live!

After drinking his fill and feeling much better, he looked around the hut. He found a pencil and a map of the region. The map showed that he was still far away from civilization, but at least now he knew where he was and which direction to go.

He filled his flask for the journey ahead. He also filled the bottle and put the cork back in. Before leaving the hut, he added his own writing below the instruction: "Believe me, it works!"

This story is all about life. It teaches us that We must GIVE before We can RECEIVE Abundantly. More importantly, it also teaches that FAITH plays an important role in GIVING.

The man did not know if his action would be rewarded, but he proceeded regardless. Without knowing what to expect, he made a Leap of Faith.

Water in this story represents the Good things in Life.

Give life some Water to Work with, and it will RETURN far more than you put in!

## Cross Country Event

~ Wednesday, September 19 ~

We invite you to join us for our annual Cross Country Event.

Students are to wear the regulation sport polo and sport shorts/track pants and enclosed footwear.

This year we will again have the Mountain Bike Time Challenge as part of this event. The regular Cross Country Run will take place first thing in the morning (9am-11am) and the Bike Time Challenge will be held last thing in the day (1:30pm-3:15pm). This will allow the students to 'recover' from the morning's run before participating in the ride.

If you have received a letter and consent form, your child/children have expressed interest in participating in mountain biking the cross country track. We anticipate that only a small group will participate and NO students will be pressured to participate.

If you wish for your child to participate in the Mountain Bike Challenge, there are a number of pre-requisites outlined on the notice and consent form. Forms are available from Mr Brydon Eaton or at the front office.

We look forward to seeing you there!

## Cross Country Training

Training days will be:

**Monday, Sept 10 to Thursday, Sept 13**

**Monday, September 17 (last day)**

Please have your child/ren bring their running shoes in their bag on the above days. Thank you.

# MARKET DAY 2018

Wednesday, September 19

11am ~ 2pm

Year 5 at Carmel Primary have been busy planning for their annual fundraising Market Day.

Straight after Carmel's Cross Country event, Year 5 will be providing a wonderful time for all! There will be stalls with food, games and activities. Prices will range between 50 cents and \$25.

Where possible, please send with your child or bring small notes, \$5, \$10, \$20 or coins to spend, as each stall will have minimal change available.

See page 7 & 8 of the newsletter for more information.

*We invite you to come along and support this fun-filled day.*

We have had a number of school events (Flanno Friday, Junior Concert and MTB School Championships) over the last couple of weeks.

Keep a look out on Facebook for the photos!

## P&F

The P&F are looking for an energetic parent volunteer to coordinate the quiz night (to manage and/or MC the event).

The P&F would also like to ask volunteers to help in any small role they are able to.

### Upcoming meetings:

October 10

November 14

November 28 (AGM)

Dear Mrs Taylor, Staff,  
Parents and Students at  
Carmel Primary

We would like to say a BIG THANK YOU to Mrs Taylor for allowing us to do this fundraiser at the Primary School and a big thank you to all the parents, teachers and students for supporting the pasta lunches. We hope that you enjoyed the pasta and found it nourishing.

Your generosity helped us raise an extra \$600 for our Cambodia Service Trip.

On the 16th of September the Year 10 Carmel Students will be leaving for Cambodia to start their service for a local rural Cambodian community. The money that Carmel Primary School helped us fundraise, will go towards building a brand new school, which the year 10 students will participate in the build. The remaining money raised will also go towards a fresh water well, solar water purification system and food to serve to the local communities. While we are in Cambodia we will be participating in charity work for a local hospital. We are looking forward to the challenge and the adventure of it all!

Thank you to our school community for helping us reach our targets.

Kind regards,  
Meagan Corker and Kate McCormack

# From our Chaplain...

How blessed we are here at Carmel Primary that we have two separate entities who believe in a chaplaincy program which provides another layer of support to students, families and staff at Carmel Primary.

Our chaplaincy program is jointly funded by the Australian Government under the National School Chaplaincy Program (NSCP) and the Western Australian Conference of the Seventh-day Adventist Church. Funding of ten hours per week from the NSCP is used to facilitate parts of our Chaplaincy Program, which focus more on building resiliency, emotional and pastoral care such as (though not limited to) special school events, excursions, sport activities and camps.

The remainder of the funding for this role comes from the WA Conference of the SDA Church which also supports those parts of our program focused on resiliency and relationship building but also on aspects which are Christian in their orientation, such as weekly chapels, Bible studies, church services, our annual Easter Camp and Weeks of Worship.

How wonderful were all our students who performed in our Australian themed Junior Concert last week? I felt so proud of all our students and their achievements.

I would like to recognise the hundreds of hours in preparation for the two plays. The time taken to learn the lines and the rehearsal time, the effort taken to create all those amazing costumes and collect all the props and the many other tasks which happened behind the scenes to make an evening like we enjoyed possible.

This week I am feeling blessed to live in a community where people are valued and important to us and also that I live in Australia where we do experience freedom of choice.

What are you feeling blessed for this week?

God bless,  
Mrs Nicola Warchol

Year 5 - Market Day

# Year 5 Market Day

Market day will be held on the same day as  
Cross Country: **Wednesday, 19<sup>th</sup> September**

Mr Thomson (Principal) from Carmel Adventist College will use some of our raised funds from Market Day for the initial stages of building a school in Cambodia. The focus for this project is for the initial building, with a direct goal of changing intergenerational poverty.

Initially they will be taking about 20 students from 20 different families who are committed to education. They will then proceed to build additional classrooms and a full-time teacher for the project. Eventually the aim will be to fund students through to university.

Mr Thomson and his team have a very good support person for the project, he is a local businessman and local land owner.

The Year 5 class look forward to sharing some of the photos of the initial stages of the project.

## PERTH CHILDREN'S HOSPITAL

This year, the Year Five class voted on an area that they would like to donate some of the Market Day funds too.

An overwhelming vote by the students was for 'kids in hospital'.

The hospital is very appreciative of the students' desire for a donation, and have requested help with activity packs - such as colouring in resources for the children who visit the hospital.

Some of the other areas that student's would like to support include:

The Bible Society and Animal Rescue

*So, please come to Market Day with extra spare change to buy lots of fun treats and help raise money to help as many people in need as we can.*

## Trash & Treasure

The Year 5's are looking for donated items such as...stuffed toys, games, crafts, plants, small decorative items, vases etc. for their Trash & Treasure Stall.

If you have been holding onto any of these items, you can **start bringing them in!** They can be dropped to the Year 5 classroom. Thank you!

# 2018 SCHOOL HOLIDAY ADVENTURES

## September/October

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
24 - 28 September 2018		<p><b>Crocs Play Centre Pizza &amp; Cookie Baking</b></p> <p>The Crocs Play Centre is a favourite with the children – and we'll have a blast playing with Teacher Benjamin! We will make our own pizzas for lunch and bake a sweet cookie treat for our 'mix and make day' theme. Yummy! After returning to the Activity Centre, Teacher Benjamin will teach us some traditional Maasai children's games to play together.</p> <p><b>10:00am departure – 2:00pm return</b></p> <p><i>Program aim: Children take increasing responsibility for their own health and physical well being. (My Time Our Place Outcome 3.2)</i></p>	<p><b>Spare Parts Exploration</b></p> <p>Calling all 'Tinkering Masters' who love to use their very clever imagination. Today will be the perfect day for you ... it's all about being creative, inventive and allowing your imagination to run wild around a single idea! You will be given various tinkering and recycled resources to use. Teacher Benjamin's traditional Maasai culture will help us to think 'outside the box' to create our own unique personal master piece.</p> <p><i>Program aim: Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, imagination and enthusiasm. (My Time Our Place Outcome 4.1)</i></p>	<p><b>Mundaring Naturescape</b></p> <p>Let's enjoy a road trip to the Mundaring Naturescape to go wild on the super cool playground with the flying fox!! We'll explore the water play stations and test our braveness on the giant spider web climbing frame! (Will Teacher Benjamin's Maasai Warrior skills will help him to conquer it!?). We will be challenged with African sport games and enjoy a picnic lunch in the wide-open spaces under the shady trees before heading back to Pachamama!</p> <p><b>10:00am departure - 2:00pm return</b></p> <p><i>Program aim: Children take increasing responsibility for their own health and physical well being. (My Time Our Place Outcome 3.2)</i></p>	<p><b>It's Urafiki Day!</b></p> <p>Urafiki means 'friendship' in the African language of Swahili. Today is about building our friendship with our new Maasai family and formally welcoming Teacher Benjamin to our Pachamama family! He will give amazing African cooking lessons to make lunch, and our Kindy kids will join us for afternoon African games. <b>The celebrations will continue as we welcome our Pachamama families to an evening BBQ to celebrate our Urafiki Initiative!</b></p> <p><i>Program aim: Children are connected with and contribute to their world. (My Time Our Place Outcome 2.4)</i></p>
1 - 5 October 2018	<p><b>Woolworths Discovery Tour</b></p> <p>Who doesn't love a healthy lifestyle? Today we will be off on quite the adventure to our local Woolworths store for an educational Discovery Tour to discuss what foods we should be adding to our trolleys!! We will split the excursion into 2 small groups to maximise learning! Back at Pachamama, Teacher Benjamin will teach us about gathering and making traditional Maasai foods in Africa.</p> <p><b>9:45am depart - 11:30am return &amp; 12:45 pm depart - 2:30pm return</b></p> <p><i>Program aim: Children take increasing responsibility for their own health and physical well being. (My Time Our Place Outcome 3.2)</i></p>	<p><b>Valencia Nursing home visit</b></p> <p>We love to be a part of our community. and today we have some very special guests visiting Pachamama from Valencia nursing home. We will spend our morning getting to know these lovely residents by engaging in small group activities such as gardening, craft and games. Let's utilise Teacher Benjamin's traditional cultural experiences to learn about living circumstances and community involvement in his Maasai village as comparison to Australia!</p> <p><i>Program aim: Children develop a sense of belonging to groups and communities. (My Time Our Place Outcome 2.1)</i></p>	<p><b>Bibra Lake Playground</b></p> <p>Yeah! Summer is around the corner and let's enjoy the warmer weather at Bibra Lake exploring the flying fox and tree top aerial rope walks. The water play area is sure to be a hit! We will have a picnic lunch to save more time for exploring! We will chat with Teacher Benjamin about what the students in his Maasai village of Olasiti do for fun and tricks they use to protect themselves from harm by the elephants, wilderbeasts, lions and other animals.</p> <p><b>10:00am depart - 2:30pm return</b></p> <p><i>Program aim: Children take increasing responsibility for their own health and physical wellbeing. (My Time Our Place Outcome 3.2)</i></p>	<p><b>African Arts &amp; Crafts Day</b></p> <p>The Maasai are known for adorning themselves with incredibly beautiful beadwork - the more the better! Necklaces, bracelets, anklets, and belts. Beading is the traditional craft of the Maasai women and Teacher Benjamin will share his knowledge about making beaded jewelry for the children to wear with Maasai pride. The movie <i>The Lion King</i> about friendships between African animals will feature in the afternoon ... another entertaining way to learn more about our African friends.</p> <p><i>Program aim: Children develop dispositions for learning such as curiosity, cooperation, confidence, commitment, imagination and enthusiasm. (My Time Our Place Outcome 4.1)</i></p>	<p><b>Spare Parts Puppet Theatre</b></p> <p>Jamie lives in a concrete jungle amongst a fast-paced and busy city. From her window, she dreams of making friends with animals, but she can't have a pet in the apartment. This afternoon, her dreams will take her on a one-of-a-kind visit to the zoo where she discovers the remarkable joy an animal can bring to her life. <i>The Night Zoo puppet show</i> explores the special connection between humans and animals and the importance of caring for another living being. The children can discuss with Teacher Benjamin the animals he has in his Maasai village.</p> <p><i>Program aim: Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, imagination and enthusiasm. (My Time Our Place Outcome 4.1)</i></p>
