**CARMEL PRIMARY**  
ADVENTIST COLLEGE

September 16, 2019 | Term 3 | Issue 14

Enjoy the journey. Embrace the detours.

## Are we there yet?

We have all been there; that long road trip with kids or family members that seems to go on and on, forever! With the awkward and annoying question from the back seat.

"Mum, are we there yet?"

The problem is that we have hardly even left the city and that question comes firing into the car. When I had my children as babies in my arms. I remember asking the same question of God.

"Are we there yet God?"

You see the journey that seemed to take forever, was the relentless pursuit of novice motherhood and my husband and I used to say over and over, "One day they will be both at school full time and everything will change."

And here I find myself now, both kids enrolled in full-time school and the funny thing is this; I am learning that although we want to arrive at a place in the future, the beauty about this thing called life, is the journey is far more important than the destination.

And the more we ask the question "Are we there yet", the longer the moment seems.

Forever is available right now. Embrace this season and this moment, it is the beauty of what we have today in the present.

# SCHOOL HOLIDAY ADVENTURES - October 2019

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
30 September – 4 October	<p>(Excursion for St Brigid's College students on Friday, 27 September ... see other side.)</p> 	<p><b>Bickley Observatory</b></p> <p>"Hello! Is the anyone out there?" Have an amazingly inquisitive time with the broad range of modern and historical telescopes to help you see the world 'out there.' Participate in activities focusing on astronomy and physics. (8:30am depart – 1:00pm return)</p> <p><u>Program aim:</u> Demonstrate an increasing knowledge of and respect for natural and constructed environments. (MTOP Outcome 2.4)</p>	<p><b>'Music is Rubbish'</b></p> <p>REmida has become a visionary leader in sustainable 'reuse.' This activity at Pachamama really is RUBBISH! Our refuse will be 'music to our ears' as we make musical instruments in this percussion-themed incursion ranging from simple to complex and use basic patterns to make beautiful music.</p> <p><u>Program aim:</u> Participate with others to solve problems and contribute to group outcomes. (MTOP Outcome 2.4)</p>	<p><b>Woodbridge Park and BBQ</b></p> <p>Woodbridge Park has undergone a facelift and we want to check out the new additions! The morning will be full of exploration, with more play, play, play after our BBQ lunch and before returning to Pachamama. The only question is ... hamburgers or a sausage sizzle? (9:00am depart – 3:00pm return)</p> <p><u>Program aim:</u> Show enthusiasm for participating in physical play. (MTOP Outcome 3.2)</p>	<p><b>Incursions R Us</b></p> <p>Put on your baggy jeans or your best dancing dress and learn all the 'latest and bestest' HipHop dance moves at Pachamama from professional Incursions R Us instructors. In the afternoon, challenge yourself and your friends in our 'A minute-to-Win-It' dance competition!</p> <p><u>Program aim:</u> Participate in a range of freely chosen play and leisure opportunities. (MTOP Outcome 1.2)</p>
7 – 11 October	<p><b>Synergy and Stickybeaks</b></p> <p>Pachamama 'Seniors' are off to explore Synergy playground, while 'Juniors' will climb around Stickybeaks playground – both at Kings Park. Afterwards, we'll meet at Stickybeaks for a cooling ice cream before lunch at Pachamama. (9:00am depart – 1:30pm return)</p> <p><u>Program aim:</u> Show enthusiasm for participating in physical play. (MTOP Outcome 3.2)</p>	<p><b>Insect Incursion</b></p> <p>Louise the Butterfly is back at Pachamama! This time she comes armed with her 6 and 8 legged creepy crawlies. Whether bugs and arachnids fascinate or frighten you ... you will not be able to look away!</p> <p><u>Program aim:</u> Demonstrate an awareness of the impact of human activity on environments and the interdependence of living things. (MTOP Outcome 2.4)</p>	<p><b>Shipwreck Park &amp; BBQ</b></p> <p>'Ahoy there me hearties!' Join us for a day at Shipwreck Park in Hilbert. Climb the playground to avoid the sharks and be careful not to end up walking the plank. Then ... relax, stay dry and enjoy a BBQ lunch before returning to Pachamama. (9:00am depart – 3:00pm return)</p> <p><u>Program aim:</u> Show enthusiasm for participating in physical play. (MTOP Outcome 3.2)</p>	<p><b>Pachamama Art Classes</b></p> <p>Take a step back in time and fashion to the funky 70's. Grab a bag (supplied by Pachamama) and bring some old cotton socks or a t-shirt. Create your own tie-dyed high fashion statement. Yeaah!! Become as creative as you can by engaging in a variety of art experiences.</p> <p><u>Program aim:</u> Participate in a variety of rich and meaningful creative-based experiences. (MTOP Outcome 4.1)</p>	<p><b>The Simulation Centre</b></p> <p>If wall climbing, slot car racing, Parkour, 9D movies or being a Ninja Warrior is your thing (among other things), you will love the Simulation Centre in Bibra Lake. Come and join your friends for an amazing time of excitement, entertainment and fun. (9:00am depart – 1:00pm return)</p> <p><u>Program aim:</u> Show enthusiasm for participating in physical play. (MYOP Outcome 3.2)</p>
14 October	<p><b>Pizza &amp; PJ Day</b></p> <p>After an eventful holiday program, rest and relax in your PJs and watch a movie at Pachamama with popcorn! In the afternoon, Vanessa Rivett (our Pachamama parent) will help us make some yummy pizzas for you and your family to enjoy. Yum yum! (Kalamunda Christian and Spring Road Kindy back at school.)</p> <p><u>Program aim:</u> Contribute to fair decision-making about matters that affect them. (MTOP Outcome 2.1)</p>	<p><b>"There can be no keener revelation of a society's soul than the way in which it treats its children."</b></p>
