Term 4...Welcome Back!

Jigsaw Puzzle...

A little silver-haired lady calls her neighbor and says:

"Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started."

Her neighbor asks, "What is it supposed to be when it's finished?"

The little silver haired lady says, "According to the picture on the box, it's a rooster."

Her neighbor decides to go over and help with the puzzle.

She lets him in and shows him where she has the puzzle spread all over the table.

He studies the pieces for a moment, then looks at the box, then turns to her and says:

"First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster."

He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then," he said with a deep sigh ...

"Let's put all the Corn Flakes back in the box."

Market Day 2016

Grand total raised for RAW Impact = \$5,829.45!!!

(Made up of Yr 6 Cupcake Day, Icy pole sales, ADRA Bindoon donation and the Market Day stalls that raised \$3,657.)

Over 8 goats can be purchased!!

This was a real team effort from Year 5 and 6 students and families, teachers and all the school children and families that have supported all these events.

Many of the wonderful items for sale in the Travel Treasure Stall were donated from both school families and members of Adventist churches across Perth.

I believe that the blessing will be both for the families helped in Cambodia, and for those of us who have had the opportunity to put effort into serving others.

From our Chaplain...

Here we are at the start of Term 4. "Where has this year gone?", comes to mind as I sit and think about this year and all the different things we have accomplished here at Carmel. The great thing is though, we still have one term left with lots of learning and fun to complete our year!

This weekend, Saturday, October 15, the choir will hold its last church program for 2016 at Livingston SDA Church, Canning Vale, starting at 11am. If your child/ren are not part of the choir, you are also very welcome to join with us in worship at this time. We would love to see you there.

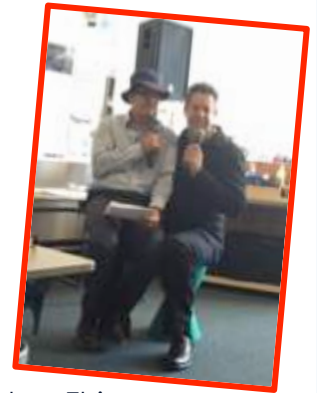

A highlight in the Chaplaincy program for Term 4 is Week of Worship. Please mark Week 4, Monday Oct 31 – Friday Nov 4, on your calendars. We are planning for this to be a memorable week in the spiritual life of your child/ren as Pr Derek McCutcheon is coming in every day to be our speaker for Week of Worship. Each morning we will hold a Chapel program with Pr D sharing a special talk with us. As with regular Chapels, parents are encouraged to attend. In preparation for this, I invite you to join me and commit time in your personal prayer time to pray for this special week.

This coming Friday evening, October 14, we are invited to meet at the high school campus and join them for a light supper and time together. Check out the specific details in this newsletter and please remember to RSVP by today. This is a lovely way to come together as a school community to begin Term 4 and we look forward to seeing you there.

Please remember, my door is always open and if I can support your child/ren or your family, please don't hesitate to make contact.

God bless,

Mrs Nicola Warchol
Chaplain

Greatness through Service

Operation Christmas Child

(OCC) is a very special Samaritans Purse project that Carmel Adventist Primary is happy to support. Delivering shoeboxes full of gifts to the poorest of poor children throughout third world countries and giving hope and love to people in need, is a wonderful opportunity for us all to be involved with.

The simplicity of OCC is that shoeboxes are filled with essentials and fun gifts for children to receive close to Christmas and therefore spreading the joy of God's love throughout the world. It gives an opportunity for people of all ages to be involved in a simple but hands on project that has the power to transform a child's life.

As part of Carmel Adventist Primary's support of this project we would like to encourage all classrooms to take part in the collection of items to fill shoeboxes. Below is a number of suggested gifts for students in each classroom to donate for both boys and girls.

Class Room	Items to donate for Boys and Girls
Kindy & PP	Something to love – soft toy, doll or teddy
Year 1	Something for school – note pad, pencils, pencil case, chalk, coloured pencils, any stationary items
Year 2	Something for school – note pad, pencils, pencil case, chalk, coloured pencils, any stationary items
Year 3	Something to play with – marbles, tennis ball, skipping rope, yo- yo, slinky toy
Year 4	Something special – stickers, craft kit, bangles, sun glasses, cloth/material carry bag
Year 5	Something for hygiene – toothbrush, hair clips, comb, brush, soap (no liquids)
Year 6	Something to wear – thongs, underwear, cap, t shirt or sandals

Please feel free to donate any extra gifts from other categories if desired. **You may like to donate a gold coin donation to assist with the \$9 postage cost for each shoeboxes.**

We would then, close to the end of October, have a fun shoebox filling afternoon after school for any students and families that wish to participate.

Please note that NO battery items, liquids or breakable glass items can be sent and the items must be able to fit inside a shoebox.

The more items we receive, the more shoeboxes we can fill and hopefully assist with changing children's lives. For more information please log on to www.samaritanspurse.org.au/operation-christmas-child/ phone 1800 684 300 or contact Felicity Shipard on 0438 647 061.

The closing date for collection at school will be Monday, 31st October and closer to this date more details will be published in the school Newsletter regarding the school shoebox filling afternoon.

It is sometimes easy to lose sight of what Christmas is all about and a real Christmas gift is one that says "you are loved and you matter to God".

We thank you in advance for helping with this magical project and assisting in transforming a child's life.

Kindergarten/ Pre-Primary African Inquiry

Dear Parents,

This term, the Kindergarten and Pre-Primary classes are conducting an inquiry into Africa. Our focus in this project is looking at the strong community that exists within an African village. Linked to this, we are also investigating how clay and mud are used in traditional African culture as a building material.

In order to assist our students to make a strong connection with both of these ideas we have chosen to make an African hut in our outside learning area. Where possible we have used local natural materials and manual labour and skills provided by our students.

This project has taken all of Term 3 and will continue into Term 4 before it is completed. It is hoped that it will remain an important part of our learning area for many years to come.

Once our African hut is finished I would like to decorate it in traditional African symbols, patterns, designs and colours that represent the broad cross section of African cultures that we have within our school community. If you would like to suggest a particular design that represents your own African cultural connection I would be very happy to receive it. Once I have all of the suggestions I will arrange a painting and decorating day. I am happy for families to be part of this experience.

All artwork, designs and ideas can be passed on to the office or e-mailed directly to me using the following e-mail address

jeffwallis@adventist.org.au

Thank you for your help and support in this project.

Sincerely

Jeff Wallis
