Creativity is intelligence having fun!

~ Albert Einstein ~

The Interview

Once at an interview at a reputed business school, a panel of intelligent Interviewers was taking interview of prospective students for admission in the school.

When one of the prospective students entered the room and nervously sat on the chair in front of them, the panel said to the boy, "We shall either ask you ten easy questions or one really difficult question. Choose carefully as it will determine your admission to the school!"

The boy thought for a while and answered, "I would like to answer one really difficult question."

"Well, good luck to you, you have made your choice! Now answer us. What comes first, Day or Night?"

The boy was jolted into reality as his admission depended on the correctness of his answer to this single question, but he thought for a while and said, "It's the day sir!"

"How?" asked the interviewer.

"Sorry sir, you assured me that I do not need to answer the second difficult question!"

He was selected for admission!

Coles Sports for School Program

You have just over a week to collect as many tokens as possible. Collection ends on Tuesday, 3rd April. We then have until the 14th June to send them in to be counted.

The good news is we don't have to count them all. All we have to do is fit as many as we can into a bag and post them back. As you can see from the photo, some of our Year 5's helped to fill 2 bags.

Once our tokens have been received and counted we can then start making a shopping wish list. The list of what we can buy is endless, so Mr Eaton will have fun shopping.

We hope to receive the sporting items at the start of Term 3.

Thank you for supporting Carmel Primary.

From our Chaplain...

I'm sorry I wasn't able to be at the Weetbix Try-athlon yesterday. It's a great initiative by Sanitarium to get kids active. It's not about winning, but having a go and doing your best. Big congratulations to all our students who were involved. Thank you to those families who sent through photos to keep me updated. Check out some of the photos below. We will also share them with everyone at our final Chapel for Term 1.

While it looked a bit cool, the smiles on everyone's faces told the story of a great morning outdoors. It was wonderful to see our kids out there doing their best regardless of where they were placed in the sea of kids participating. As they hit the finish line and took their medals, the smiles on the faces said it all. It's great seeing the families along the track encouraging the kids and especially at the finish, to cheer them over the line and welcome them home.

As we approach Easter, and are reminded of the gift of salvation that is offered to everyone of us, I am so grateful that Jesus takes us all at where we are at, where ever we are 'swimming', or 'riding' or 'running' in the journey of life. He's not interested in only the fastest or the winners. His arms are always open wide, waiting to say welcome home when we are ready.

*Come to me,
all you who
are weary and
burdened, and
I will give
you rest.*
Matthew 11:28

God bless,
Mrs Nicola Warchol
