You have **Greatness** within you!

~ Les Brown

## Les Brown: A Moment of Clarity

Les Brown is one of the world's foremost motivational speakers and thought leaders on self-improvement and goal-setting. However, it wasn't always that way for him. Born in Liberty City, Miami on the floor of an abandoned building, he has known struggle and hardship his entire life.

Academically, Les was a struggling student from the get-go. The story goes that during his school days he was labelled "educable mentally handicapped" by the academic intelligentsia of his day and placed back from 6th grade to 5th grade. To make matters worse, he had a twin brother who was exceptionally bright and gifted, and as such Les became commonly referred to by his peers as the "DT"—the "dumb twin."

One day a teacher asked him to come up and solve a problem on the chalkboard, but Les refused and said that he couldn't. "Of course you can," the teacher responded encouragingly. "Young man, come up here and solve this problem for me."

"But I can't," insisted Les. "I'm educable mentally handicapped." The rest of the class erupted in laughter. At that point, the teacher stepped out from behind his desk and looked Les straight in the eye. "Don't ever say that again," he told him firmly.

# GENERAL

## NAPLAN

NAPLAN testing will take place this week. This testing gives us valuable information, data and feedback. We have learned to 'normalise' the testing by having them experience testing situations throughout the year.

Treat the days like any other. NAPLAN results don't predict the future – but it does provide us with useful information about teaching and learning.

## After School Activities

Sporting Schools (Basketball & Hockey) commenced last week and Mountain Biking will commence this Wednesday (concluding June 19)

Unfortunately, Basketball and Mountain Biking are now full but there are still some spots available in Hockey.

We kindly request, that you please collect your child from school by 4.30pm. If participating in Mountain Biking, collection is at 5pm.

Should you be running late, please contact the school to let them know. If you have arranged for someone else to collect your child on your behalf please either email or call us to advise. Thank you.

## Cooking & Gardening Helpers Needed

Every fortnight on a Friday from 1:40pm-3:00pm, students participate in STEM activities. We are in need of some parent helpers to assist with our cooking and gardening groups.

If you are able to help with this (starting Friday, May 10), please inform Narelle at the front office.

## Woolworths Earn and Learn

We are excited to be taking part in the 2019 Woolworths Earn & Learn program.

During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you.

From May 1 until June 25, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to your children to collect on a special sticker sheet. Once it is completed, they can simply bring it back here to school or you can drop them into the Woolworths collection box in Kalamunda.

The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and English resources, art & crafts materials and much, much more!

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at School.

## School Improvement Survey

We hope you received the instructions on how to participate in the online School Improvement Survey that were sent home with your eldest child last week.

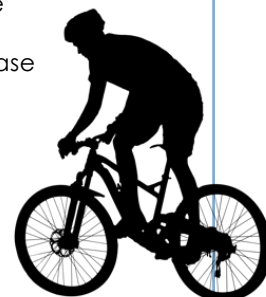

Your feedback is very important to us, so we highly encourage you to take the time to complete the survey. You have until May 17 to complete it.

The greater number of parents who participate will ensure a more valid result from the data collected. This then helps the staff at Carmel Primary to make more informed decisions in moving forward.

Thank you for your assistance.

## Mountain Biking

If you have children participating in the after school mountain biking rides/clinics that will be commencing this Wednesday, May 15 and you are interested in joining in, please email your interest to Mr Brydon Eaton ([BrydonEaton@adventist.org.au](mailto:BrydonEaton@adventist.org.au)).

## Carmel MTB 2019 Jersey Orders

The opportunity to order a CACMTB jersey is available once again. Please see page 6 of the newsletter for the order form (also available at the front office).

Please return your order form along with payment (cash only) to the front office by Friday, May 31.

"Someone else's opinion of you does not have to become your reality."

Les never forgot those words, and spent the rest of his life overcoming incredible odds and pursuing his goals with passion and fervour. Time and time again, thanks to that one teacher's powerful revelation, Les has lived the phrase he's famous for all over the world: *You have greatness within you.*

# MESSAGE FROM MRS OISEN...

On the 1st May we celebrated ANZAC day together. We had a special guest, Mr Geoff Irvin, come from the Kalamunda RSL to share with us the value of fellow comrades and help us remember the sacrifice that was made for our country and the freedom we have.

Students brought their medals and photos of family members who served our country and Geoff was happy to look at these and share his knowledge on them. The students were able to ask questions and learn a little more.

We would like to say a special thanks to Geoff for coming and to all those involved.
