MESSAGE FROM THE PRINCIPAL

For many years the term 'authentic communities' was nothing more than a nice sounding term. In reality, I had never actually seen one. And if I'm to be completely honest, I don't know how many actually had. That was up until Christmas time this year. What happened? Without giving too much away, I not just saw it, I lived it. And it was nothing short of FANTASTIC!

You see the real beauty of this snapshot was the fact that it had come about as the result of many different 'buy-ins'. It didn't simply happen because of one person or indeed one thing. In this particular incident, it happened because of no less than 7 separate parts of our wider community. Now THAT is truly something to celebrate. Here's the even better part... from that point on, I knew exactly what to look for and ever since I have seen parts of the same thing over and over again.

The point? We have something amazing that's just beginning to happen here at the 'Carmels' and believe it or not, it's ALL for YOU!

My prayer is that you continue with us all on this journey and continue to create something that is truly authentic and truly AMAZING!

Blessings,

Mr Nick Thomson
Principal

CARMEL COLLEGE CATERS WA CONFERENCE'S CHILDREN'S MINISTRY PROGRAM AS CAMBODIA FUNDRAISER

Carmel Adventist College Secondary catered for the Children's Ministry program run by the WA Conference. Nicholas Thomson, Adam and Caitlin Di Rosso, Robyn Robinson, Jean and Costas Killil (Nick's Aunty and Uncle) and Shannon Smoker took the people along a food journey. It all began in the Assembly Hall with beautiful garden arrangements from the school's gardens. The food journey began with morning

tea consisting of yummy cakes, cheese platters, arancini balls, and freshly squeezed orange juice. Lunch was a Greek menu with various dips, salads and potatoes before sweetening them up with ice cream cones topped with sweet dukkah. The grand finale was fruit kababs and nuts for afternoon tea.

The volunteers had a fun day serving the participants. The profits from the day went towards the school's mission trips.

Thank you all for your support and contribution.

CONGRATULATIONS!

Congratulations to Adam Cox for receiving a Letter of Commendation from SIDE for his work in his Certificate II in Financial Services course. The letter noted that Adam has been consistently working well, participates really well in the online Saba activities, has an excellent attitude towards his course work, and continually demonstrates a high level of performance.

Adam has chosen a General pathway and the Certificate II in Financial Services will contribute to him achieving his WA Certification of Education. Achieving a Certificate II through an online course is just one of the many options we offer students to help them achieve their study and pathway goals.

If you'd like to discuss your study or career pathway and how you can integrate online learning, TAFE and/or Workplace Learning into your courses, please contact Mr Flynn.

Mr Brad Flynn
Director of Studies

DONUTS ANYONE?!

How many of you like donuts? The year 8 students learned in their cooking class how to make Greek donuts commonly known as honey puffs...they went down a real treat. A family member of the Thomson's, who is Greek in nationality, came and shared her recipe.

YEAR 11 TRIP

Well the Carmel and Landsdale annual year 11 trip was certainly a memorable experience this year! With 13 out of 35 students contracting gastro, we lived in a cloud of Glen20, hand sanitiser, sick bags, charcoal tablets, gastrostop, and any other old wives tale we could think of.

Thankfully, amongst all of this, we also made some wonderful memories, made new friends, learnt a lot about our country and its democracy, and had the best snow conditions we've ever had!

I was so proud of our students. They pushed through some pretty horrible conditions with a great attitude, and as teachers, we appreciated their positive attitude, their compassion, and their kindness towards each other.
