## **LOW INCOME FAMILIES**

Families in financial difficulty may apply for assistance with fees through the School Principal. The amount of bursary available is limited and there is no guarantee that all requests will be met. Families who already have children enrolled in the school will be given preference.

Applications must first be made through the Principal, who will then review this with a sub committee of the Management Committee. A full statement of income must be provided as part of the application. Applications are made and reviewed every six months.

## **PARENTS/STUDENTS ON VISAS**

As regulations frequently change we ask that you please contact the school directly prior to enrolling your child.

## **STUDENT INSURANCE**

The school annually takes out a student accident insurance policy for all students. This policy covers injury twenty-four hours a day, regardless of whether the accident occurs at school or not. Claim forms are available at the school.
