YEAR 9 ASPIRE PROGRAMME – Urban Day 2: Y-Lead Altitude Day.

Date: Monday, 20th May

Dear Year 9 Parents and Guardians,

On the 20th of May, selected students will be heading into the city for the annual Y-Lead Altitude Day. Altitude Day shows Year 9 students that they can be positive leaders within their school and wider community. It gives students the opportunity to feel heard, network with other students, and to be inspired by the guest speakers who are doing great things. Altitude Day gives students the confidence to be themselves, and the framework to turn their passions and goals into reality.

To ensure student safety throughout the excursions, students must complete another travel plan and ensure they stay with the class in Perth Town Hall for the duration of the excursion. There is a short lunch interval so it is recommended that students bring a packed lunch. There is a McDonalds across the road and other café's surrounding the venue, which students could wait and purchase a later lunch at the end of the event.

Students are expected to be in their full formal winter school uniform.
