# CHAPLAIN'S CORNER

I have a monkey that hangs around my house. By monkey, I mean soft toy, and I mean literally hangs around my house. Every now and then I shift it to a different place. I saw it again this morning and realised it's been in the same place for about the last 2 years. Time for a change. It's now hanging in my kitchen and I guarantee the moment anyone else realises where I've put it, it will change location again!

This year has started with no room for things to stay the same. Week 1 of school was cancelled by the government. Week 2 the teachers had to come to school and wear masks. **Anything** and **everything** can always change at a moments notice. This Covid season has taught us all to be flexible.

As I spend some time in different classrooms I realise that flexibility is the name of the game for teachers. **Our teachers are amazing!** They are having to adapt all the time. As a staff we would like to thank you, our parents, for being willing to adapt and change with us in these uncertain times.

As this first term comes to a close, I would like to extend an offer to our families. I would love to pray for your family OR I would love to pray with you. If you would like to contact me, please message me on 0408 725 463 and we could maybe get together through the term break.

Andrew Olsen  
Chaplain

The program will commence at the beginning of each day in the Multipurpose Room.

# SCHOOL BREAK ADVENTURES

## For our JUNIORS and SENIORS in April 2021

### Our Upgraded School Break Program

Our Adventures are more than entertainment. They are crafted with our children's holistic growth and personal development foremost in our minds.

They focus on improving life skills through building competence in all developmental domains, while concentrating on valuable skills that influence each child's future success.

The two separate programs that Pachamama is offering in April 2021 are the direct result of our reflections with your children. One program is for Juniors (kindy to year 2) and one program is for the Seniors (years 3-6). Please refer to the appropriate program dependent on the school year of your child.

We have daily schedules with alternate excursions so that mixed age groups of siblings and friends can spend time together at the beginning and end of each day ... with the middle being developmentally focused.

Limited to only 43 children per day, so please act quickly.
