ADVENTIST COLLEGE

June 24, 2020 | Term 2 | Issue 10

Peace begins with a smile.

- Albert Einstein -

Peace

Have you ever flown in a plane in the middle of a storm? I have. Cups spilled, overhead compartments burst open, and people screamed all around me. I've never been one to be afraid of flying, but in those times even the stoutest among us buckle up and pay attention.

The story is told of a flight that hit some unusual turbulence, tossing the airplane side to side in strong gusts of wind. Clouds looked more like coal. Lightning hit nearby. An eerie silence settled over the passengers in between their shrieks and screams. No one felt safe.

Except for one small child. He sat there preoccupied with his notebook and pen, drawing a picture of himself climbing a tree on a sun-filled day. To look at him you never would have guessed he was on a plane in the middle of a storm. A passenger nearby noticed him and wondered how he could feel so calm, so she asked the young boy, "Aren't you afraid?"

He just looked up from his paper for a moment, smiled, and said, "No."

"Why not?" the lady prodded, fingers gripping her seat.

"Because my dad is the pilot," he answered matter-of-factly then returned to his drawing.

Message from Mrs Duncan...

Fee statements were sent home with the oldest sibling last week. As always, we highly recommend you review them thoroughly to ensure all payments have been received.

I would like to thank you all for keeping up with fee payments where you could during this term, as I'm sure many of you would have been affected in some way by COVID 19.

If you are experiencing financial hardship please, do not hesitate to contact either myself or Janine Taylor so we can help where we can.

Sometimes life seems out of control, but knowing who sits at the controls ought to usher in a heart of peace.

The word *peace* gets used a lot, but we often misunderstand its real meaning.

In the Middle East, peace stands for something more like a truce bringing a temporary reprieve from war.

To a young mother, it could stand for that hour when the toddlers take their naps.

Peace means different things to different people.

The peace Jesus offers is like no other. His peace produces internal calm in the midst of external chaos. We experience His peace when we trade in our fears of the storm for a healthy fear and reverence of Him. When we shift our gaze from the sea to the Saviour, peace ensues.

Chaplaincy Program

How blessed we are here at Carmel Primary that we have two separate entities who believe in a chaplaincy program which provides another layer of support to students, families and staff at Carmel Primary.

Our chaplaincy program is jointly funded by the Australian Government under the National School Chaplaincy Program (NSCP) and the Western Australian Conference of the Seventh-day Adventist Church. Funding from the NSCP is used to facilitate parts of our Chaplaincy Program, which focus more on building resiliency, emotional and pastoral care such as (though not limited to) special school events, excursions, sport activities and camps.

The remainder of the funding for this role comes from the WA Conference of the SDA Church which also supports those parts of our program focused on resiliency and relationship building but also on aspects which are Christian in their orientation, such as weekly chapels, Bible studies, church services, our annual Easter Camp and Weeks of Worship.

Chapel via Zoom

We have our weekly Chapel program via Zoom on **FRIDAY** morning from 8:50am to 9:30am.
